

It's Summertime at
The Nectar Group!

Let Us Help Your Student Catch Up, Keep Up, and Get Ahead

What's on your child's summer to-do list?

Video games, cannonballs at the pool, sleeping in, vacation, fun times with friends?

Our programs help students experience success, prevent the summer “slide” of losing skills from the previous year, and prepare them to enter the next grade ready and confident to make it their best school year yet! If you have concerns that due to COVID, your student hasn't had the most optimal education, we can help them catch up from lost learning as well.

OPTIONS FOR ALL AGES

At The Nectar Group we make summer learning fun and beneficial for students of all ages. We offer programs for all ages and levels, from kindergarten readiness to preparing your high schooler for college.

FLEXIBLE SCHEDULES

We offer flexible summer schedules so that there is plenty of time for your child to check off all the items on their to-do list, while also adding a few of yours.

COMPLETELY REMOTE

All programs are offered remotely via videoconferencing (we've been doing this for 7.5 years, long before COVID) to allow for ease of participation-just log on with your materials from wherever you are at!

***Set your child up for success by enrolling today.
Check out the options and let us know how we can help!***

We offer the following package options:

1. BRAIN BOOST BASIC:

Best for enrichment and preventing summer slide

The Brain Boost Basic package is a challenging but fun program that is customized for your child's individual needs. This package will boost thinking skills, such as attention and memory, while keeping those important core content areas from sliding backward during the summer. This package includes:

- Cognitive, Math, and Reading Screening
- Materials and supplies
- Sessions are twice per week, 2 sessions per day for six weeks (24 sessions total)
- Each session is 50 minutes long and each day will consist of 50 minutes of cognitive training on skills such as memory, attention, or processing speed and 50 minutes of reading, writing, and/or math tutoring (you choose which subject(s))
- All sessions are delivered one-to-one with a coach

COST: \$2,349.00

2. BRAIN BOOST PLUS:

Best for enrichment, preventing summer slide, and preparing for the next grade level

The Brain Boost Plus package includes everything in Brain Boost Basic but students attend 3 times per week versus twice per week for a total of 36 sessions. This program keeps your child's brain active to stop the summer slide and helps make sure they are ready for school this fall in math, reading, or writing!

COST: \$3,449.00

3. SPECIALIZED PROGRAMS TO TREAT THE ROOT CAUSES OF LEARNING DIFFICULTIES:

Best for resolving underlying learning issues and improving learning skills that cause learning difficulties such as dyslexia, executive functioning issues, and ADHD. These programs help to overcome organization, reading, math and writing challenges.

Our specialized programs begin with a comprehensive cognitive assessment and a consultation where we design a program specifically for your child's needs. This is the optimum solution to resolve learning challenges and address underlying root issues that can limit learning potential. (Due to customization of these programs, a variety of cost and schedule options are available based on individual needs.)

4. CREATIVE WRITING CAMP:

Join us for a super fun way to improve writing skills while tapping into your creative, imaginative brain!

In this camp, students will work with a certified writing teacher to:

- Learn and practice the writing process
- Practice 4 types of writing: Short Story or Fairy Tale, Double Voice Poetry, Speech or News Article, and Writer's Choice
- Attend two 50-minute sessions per week for 6 weeks for a total of 12 writing sessions
- Small group, 3-student minimum, 8-student maximum
- Sessions for 3rd-5th graders, 6th-8th graders, and high schoolers

COST: \$999.00

5. KNOW BEFORE YOU GO:

Help your child be prepared for this next big step in their Academic Career. For students entering middle school or high school Fall 2021.

Attend two 2.5 hour sessions over the summer, one 1.5 hour session approx. one month after school starts, and one 1.5 hour session approx. three months after school starts. Prepare for the transition in a small group where we cover the following topics:

- Self-advocacy & responsibility
- Planner usage & prioritization
- Note-taking
- Active vs. passive study strategies
- Common challenges & solutions

COST: \$499.00

SUMMER BOOST:

CHOOSE YOUR OWN Adventure

Create a custom package to address your student's individual needs. Choose an assessment to pinpoint strengths and weaknesses, choose your topics, choose your schedule.

1. CHOOSE YOUR ASSESSMENT(S):

We'll begin all programs with an assessment to allow your child's coach to work on exactly what they need! Assessment options are as follows:

- Comprehensive Cognitive Assessment (evaluates the underlying skills that allow for successful learning): Short Term Memory, Long Term Memory, Processing Speed, Logic and Reasoning, Visual Processing, & Auditory Processing)
- Math Assessment (44 core math skills every student needs to master)
- Reading Assessment (skills such as comprehension, fluency, and vocabulary)
- Writing Assessment (skills such as fluency, grammar, and spelling)

**Nectar also offers full psychoeducational evaluations if you need to determine if your child needs to be diagnosed with a learning disability or difficulty such as ADHD or dyslexia.*

2. CHOOSE YOUR TOPICS:

- Math Tutoring (8 session minimum)
- Reading Tutoring (8 session minimum)
- Writing Tutoring (8 session minimum)
- Test Taking (10 session program)
- Note-taking (8 session program)
- Critical Thinking Skills/Logic & Reasoning/Problem Solving (16 session program)
- Cognitive Training with a focus on Working Memory, Processing Speed, and/or Attention & Focus (16 session minimum)

3. CHOOSE YOUR SCHEDULE:

- Sessions are offered Mondays through Fridays from 7:30am-7:30pm MST
- Sessions are 50 minutes each
- All sessions are one-to-one with a Certified Coach
- For best results students attend 2 or more sessions per week. Plans may be customized to meet individual family schedules and student needs.

COST: \$99 per session plus \$150.00 materials kit
